Full Stack Web Developer

I am a young full-stack web developer with diverse international experience, an interest in technology, and a passion for continuous learning. I have recently completed EPICODE's full-stack developer boot camp that helped me develop a range of skills in web development, including TypeScript, React, Express, and Node.js. Currently, I am looking for a job as a full-stack developer in a dynamic and innovative company where I can keep enhancing my soft & hard skills, and make an impact.

Experience

- Great Wolf Lodge, Room Attendant — Williamsburg, Virginia, United States — Jun 2022 - Oct 2022
  - As a participant in the Summer Work and Travel program, I had the privilege of residing in the United States under a J1 visa. During this time, I gained valuable work experience while collaborating with colleagues representing diverse cultural backgrounds.
- Yetkin Gencler, Trainee — Online, Turkey — Sep 2021 - Dec 2021
  - YetGen is a 12-week 21st Century Competencies Training Program where pieces of training such as Effective Presentation Techniques, Teamwork, Career Planning, Excel, Information / Media / Finance Literacy, Social Innovation, and GirişGen process have been organized.

Education

- EPICODE, Boot camp, Full Stack Developer — Nov 2022 - May 2023
- Marmara University, Bachelor's degree, Management and Information Systems (German) — Aug 2022 - Current
- Abdullah Gul University, Bachelor's degree, Industrial Engineering (English) — Aug 2020 - Aug 2022
  - I completed a four-semester of English preparatory classes in three semesters. Following this, I enrolled in core engineering courses such as Calculus, Art of Computing, and Physics I. After two years, feeling that I had maximized my educational experience at AGU, I left there in search of new opportunities.
